

Saguaro Aquatics

Modified Operating Procedures

In accordance with CDC and the State of Arizona guidelines for PHASED reopening of our economy, Saguaro Aquatics will operate as follows until further guidance is provided.

SCREENING

Party size is limited to 3. All persons entering the facility, including staff at the start of their shifts, are screened for a fever using a forehead touchless thermometer. Those with a temperature of 100.5 degrees or higher will not be permitted to enter. Make Ups will be provided for missed lessons. **Please arrive 5 minutes prior to your lesson time.**

TRAFFIC FLOW

ENTER from the double glass doors on the north side of the building (facing Pima St). EXIT at the west door near the changing rooms. **Arrive with swim wear on.**

SEATING

There is designated seating associated with each teaching zone. There will be two chairs for seating and one chair for **cleaning supplies— hand sanitizer, disinfectant wipes, tissues.**

MASKS AND FACE COVERINGS

1. Out of water STAFF are required to wear masks. No masks in water per CDC guidelines.
2. CLIENTS are encouraged but not required to wear face coverings. Disposable surgical masks will be provided on site IF COMMERCIALY AVAILABLE.

AIR QUALITY

1. Ozone Generator to actively disinfect the air.
2. Negative Air—HVAC system is designed to bring in significantly more air than a typical commercial space.

CLEANING

AFTER EACH CLASS the chairs, entry/exit door handles, bathrooms and changing rooms will be disinfected. Seating will be disinfected between clients.
